

Brief Profile of Dr. Gazala Hasan

Assistant Professor, National Centre for Good Governance (NCGG)

Professional Experience

Dr. Gazala Hasan is an accomplished Assistant Professor at the National Centre for Good Governance (NCGG) since 2005. She has more than 25 years' experience in the social sector, she has contributed significantly to various research studies, capacity building programmes at both domestic and international level, and management development programmes.

Dr. Hasan holds a Ph.D. in Commerce, from Jamia Millia Islamia University in New Delhi. Her academic background provides her with a strong foundation in the field of commerce and its application to public policy and governance. Additionally, she has completed a Direct Trainer Skills (DTS) course from LBSNAA (Lal Bahadur Shastri National Academy of Administration) in Mussoorie, enhancing her skills as an effective trainer and facilitator.

As the coordinator of the NCGG Internship Programme Dr. Hasan plays a crucial role in providing aspiring individuals with valuable work experience and professional development opportunities in the field of public policy and governance. This program aims to groom the next generation of leaders by exposing them to practical aspects of governance and policy-making.

She is also the course coordinator for the INSA-NCGG Leadership Development Programme in Science and Technology (LEADS). The program is designed for individuals working in the field of science and technology in various laboratories. It is a first-of-its-kind joint initiative of the Indian National Science Academy (INSA), and the National Centre for Good Governance (NCGG) for the scientific fraternity in India.

Furthermore, Dr. Hasan was the nodal officer of the National Good Governance Webinar Series 2022-23. These webinars focus on showcasing the Prime Minister's Award Winning Initiatives, aiming to broaden skills, disseminate best practices, and promote the replication of successful governance models. Her role as a nodal officer involves organizing and coordinating these webinars to ensure their effectiveness and impact.

Major Projects

In addition to her administrative responsibilities, Dr. Hasan has made notable contributions to academic research. During her tenure she has extensively contributed in the NCGG Projects:

- Training programmes on Annual Work Plan and Budget under 'Sarva Shiksha Abhiyan' programme.
